## ACKNOWLEDGEMENTS

We wish to acknowledge the invaluable contributions of all the Senior Members in all the Faculties, Schools and Centres of the University for Development Studies during the preparation of the Research Ethics Policy. We also wish to express our special thanks to the initiators of the idea of a Research Ethics Policy for the University and all those who contributed during the data collection process. We especially mention the Acting Vice Chancellor, Professor K.S.Nokoe, for his support and interest in ensuring that this Policy became a reality.

Similarly, we wish to sincerely express our sincere gratitude to the Director of the Centre for Continuing Education and Inter-disciplinary Research (CCEIR) for his direction and all the members of the Centre especially, Mr. George S. Anarwat, Gordon Nii-Nai Marley and Felix Y.T. Longi who contributed to the drafting, editing and finalization of the document. All the members of University Management and the Senior Members, who attended the workshop to review the Policy, need special mention for their useful contributions. The shape of this Research Ethic Policy owes a lot to them.

Finally, we thank the CAPTURED project for the financial support towards the preparation of this document.
