Dear Dr. Bentil,

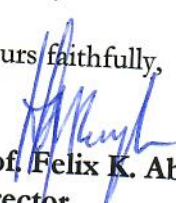

**SELF-CERTIFICATION OF THE SUPPLY AND INSTALLATION OF SINGLE SPAN
GOTHIC GREEN HOUSE**

I write to confirm the procurement and installation of 3-unit Single Span Gothic Green House for the West African Centre for Water, Irrigation and Sustainable Agriculture (WACWISA) at the Nyankpala Campus of the University for Development Studies. This is very necessary for the conduct of experiments as well as teaching and learning purposes.

The procurement followed the Center, University and National Procurement rules and laws. These procurements were necessary under the DLI 4.3 – Improved Teaching and Learning Environment and they were all completed successfully, handed over and functioning as required.

Thank you.

Yours faithfully,

Prof. Felix K. Abagale
Director
